

EDR-00001-100Z

Resistor - 100 Ohm

1. 100 ohm Carbon Film Resistors are typical axial-lead resistors, which have much better temperature stability and provide lower noise, and...

ELECTRONIC DEVICE

EDR-00001-1K00

Resistor - 1K Ohm

1K ohm Carbon Film Resistors are typical axial-lead resistors, which have much better temperature stability and provide lower noise, and are...

ELECTRONIC DEVICE

EDD-00002-D

Blue LED

Blue Light Emitting Diode (LED) used as an indicator in electronic circuits. Emits bright blue light with a round transparent body, i...
